FROM THE CHIEF

Firstly, and most importantly Happy Mother's Day to all the wonderful mums.

Today we welcome both **Sydney University GSAP** and the **Bankstown City Lions** to picturesque Lambert Park.

It's been a difficult start to the season for the club's Seniors as a horrendous injury toll to those coming back from W-League. The start of the season has seen the squad decimated and tonight is no different with 15 players missing, but all credit to both Senior teams and the coaching staff for working together. The start on the pitch has been terrific and both teams remain undefeated.

Tonight's first grade game will be a tough clash regardless of the Lions' position on the ladder. Their performances to date have been very good and they deserve to be sitting closer to the top. Our reserve grade side have had a great start and are in second position while our Youth League sides have made a fair start but there are strong signs that all three teams are starting to find their feet and pre-season expectations are beginning to be realised.

The same is true for our GSAP sides. We've made some changes in that space in recent weeks and have started to see the improvements we hoped for. The remainder of the season looks promising for our talented youngsters.

I'd like to thank the Clubs Gold Sponsor: **West's Ashfield**, The Womens Program Major Sponsors **Paramount Lawyers, CUBIC, Boutique Residential, Integrated Services Group, IT on CLOUD, Audi Five Dock** and **Strive Fitness**. Our team sponsors **Nugan Estate, APAC Facility Management, Jeff Mills Auto Electrical, South Pest, Curtis Partnership, Bob Jane T-Marts Haberfield, Love Pets Photography** and **Wholesale Trophies**.

Also a special mention to **Dolcissimo** who is providing a \$25.00 Gift Voucher for the player of the game at all Lambert Park games and **The Rio - Restaurant and Bar** who is providing a \$100.00 Voucher to the First Grade player of the match.

Without this unwavering support the club could not do all the special things we do.

There are some exciting things happening at the club none more so than our **Festival of Football** on **May 30**. It promises to be a huge event, so don't forget to buy your tickets!

Good luck to all teams and see you at Fortress Lambert.

Regards,
Matteo

FROM THE COACH

Hello everyone,

Now the season is well and truly underway, it gives us all a chance to reflect on how we're travelling. I'm really pleased with how the Senior Squad has started.

We've had numerous injuries to deal with that has made consistency within the teams a challenge. However, it's also created opportunities for some girls to play up a level or age group, and they have all performed magnificently.

Hopefully within the next couple of weeks you'll see some players returning to First Grade and possibly a couple of additions to give us some depth to compensate for those who have longer term injuries.

As a club we take player welfare and the holistic approach to player and personal development very seriously. At APIA we look to create a professional environment. Our aim is not to just develop good footballers, but also velocity good people. The application of staff and players has so far been excellent.

Today we welcome Bankstown City and a coaching staff that knows our club very well. We will need to be at our best to ensure we keep up our excellent start.

Cheers
Spence

FROM THE GSAP TD

This week we welcome back our GSAP teams to Lambert Park looking to keep the momentum going after our away trip to Eastern Suburbs FA last weekend where we achieved some outstanding results. The progression and improvement in our four teams from pre-season until now has been outstanding. You should be all congratulated and keep up the good work.

This weekend we take on Sydney University who are a strong opponent in the Women's game. It promises to be an exciting morning and no doubt our girls will be up for the challenge

In the past few weeks we have undertaken a review of the GSAP program and have made some minor changes to our coaching team in order to maintain and keep improving the program to be one of the best in NSW. We felt it was necessary that we ensure the fundamentals that the girls are learning at training and at games every week helps them develop and maintain into becoming a better player.

I would like to thank all the parents and friends that give up their time in helping to set up our fields. Your efforts are much appreciated by the club in making the morning run smoothly and on time.

To all of our Mothers, Grandmothers, **Happy Mothers Day**. You play an important role in the guidance, development and wellbeing of your child for the benefit of their future.

Finally to our wonderful GSAP program sponsors **Dolcissimo Ristorante, Paramount Law, Boutique Residential, IGS, Shades of Italy** and our GSAP Team sponsors **Strive 24/7 Fitness** (Under 10), **Love Pets Photography** (Under 11), **Bob Jane T-Marts Haberfield** (Under 12) and **Curtis Partnership** (Under 13). Thank you for your generosity and continual support of the Women's Game
