LAMBERT PARK

CLUB WELCOME

Welcome to all our supporters, to Lambert Park for this Round 10 clash between our beloved APiA Leichhardt and the Mount Druitt Town Rangers.

Today we welcome MDR Head Coach Andrew Montgomery and the club officials and supporters of the Rangers.

Our topsy turvy season has continued – on the back of a brilliant spine tingling 4-3 victory vs Rockdale, the boys couldn't back it up last week going down to bogey team Sydney United. It wasn't just the 2-1 lost which hurt, but the devastating news that Star Central Defender Themba Muata Marlow has been lost for the season with a torn ACL.

Themba joins a growing injury toll which also sees Kouta and Josh Symons on the sideline.

If there was a positive it was of the performance of both Anthony Sparacino and Drey Kelly who both will be called upon to fill the massive hole left by Themba's injury.

The Rangers have had a mixed start the season but some incredibly talented players amongst their ranks in Brazilian star Oliveria Santos, Joey Gibbs and Zac Sfiligoi and former APiA midfielder Jared Macerola.

Last weeks defeat dropped the team down to 6th of the ladder, whilst the Rangers come into this game sitting in 13th position. This game is one we expect to win, but there are no easy games in the NPL1 competition.

Our Under 20s sit in 4th position following a 2-2 draw last week and take on the 15th placed Rangers in the final fixture of the evening.

The second half of our Senior double see our Women's team take on rivals Sydney University on Sunday afternoon at Seymour Shaw.

Sydney Uni are a proud club and one that is not normally at the bottom of the table but haven't started the season well going winless in the opening 4 rounds.

After two incredibly disappointing losses there is no better time for our talented squad to get back in the winners circle than this Sunday in a rivalry that stems back almost a decade. Back to Back defeats has seen our team drop to 5th place, and whilst its still early in the season, early expectations are yet to be fulfilled.

The 23s promises to be a great game with both teams amongst the competition favourites. With so much happening at the club whether it be preparation for The Championship, our Women's Program, preparing Overseas Tours for Italy, Spain and England, our Futsal Program, our Summer Football competitions or our Community Football program our club is incredibly thankful to our main group of supporters and sponsors. Without them we couldn't be the club we are.

Our Men's Sponsors - HOLMAN BARNES GROUP who have been with us every step of the way for almost 3 decades. DESANE, WAHLBURGERS, NRIFA, ICM, New Major Sponsor Vanella Cheese and the most recent company to join our loyal group of sponsors, we excitingly welcome Emerson Lewis Lawyers. Thank you.

They are joined by long time and loyal supporters Premium Glass, Casaview, Westella Legal, United Cinemas, Clear Choice, West Point Formworks, Global Office Machines, IB Property, PARISI, Juventus Academy, Marocchi Law, Dom Panino and

Frog On Line as the clubs sponsors and supporters for the upcoming season.

The Women's proudly welcome Turner Freeman Lawyers as the new long term Women's Major Sponsor. Their logo is proudly displayed on the front of our Women's kits. Our other Gold Partners - Carrera by Design, DESANE, Insured Co, The Strength Agenda and Select Events. They are joined by Functional Fire, Strata United, Wise Employment, Automotive Superstore, Fernwood Fitness. Thank you for your support.

Finally, I'd also like to thank those who have become Season Members so far for the upcoming season.

There is still an opportunity to sign up, for both the Men's and Women's season memberships. There is a great range of items that come with becoming a member, so please get behind the teams and the club and get all the inside knowledge before it becomes public as well as your APIA merchandise.

Thank you for attending today's game and as always FORZA APIA!

Regards,
Matteo Maiorana

COACHES CORNER

MEN'S

Good evening, everyone, and welcome! Here we are, round 10 at Lambert Park, and we're excited to host our good friends from the West, Mount Druitt, as they return to the NPL1. It's always a pleasure to have them here, and we're looking forward to an exciting match with both their team and their supporters.

We're well and truly into the season now, and it's been great to see the sexy football we've been playing. Our footballing capabilities have been exciting to watch, but today, we're focused on continuing that attacking momentum while also strengthening our defensive performance.

This match holds special significance as it follows our midweek game against the Nepean in the Australia Cup, which really showed the depth of our squad, especially with the injuries we've faced. With the introduction of midweek games, it's now that we truly see how deep this squad is, and how we can continue to push the club forward, both on and off the field.

I'd also like to take a moment to highlight the fantastic work of Dean Zammit with the 20s, 18s, and 16s. All three grades are playing some sexy football and climbing up the ladder in their respective divisions. It's always a pleasure to see the youth progressing and contributing to the future of our club.

Lastly, a big thank you to our supporters. It was incredible to see so many fans at Edensor Park last Sunday, and we have no doubt we'll see you all here tonight as well. Hopefully, the Saturday evening fixture allows more people to enjoy their Sunday and come out to support us in this important match, and then celebrate together afterwards!

Let's make this season unforgettable. Sit back, enjoy the match, and get ready for an action-packed contest.

Franco Parisi
Forza APIA!

MATCH PREVIEW

6:00pm, Saturday 12 April, Lambert Park

APIA Leichhardt will come up against Mt Druitt Town Rangers in an intriguing fixture at Lambert Park on Sunday afternoon.

Following a strong period of form, APIA went down to rivals Sydney United 58 last weekend, and will be looking for a response at home in Round 10.

Mt Druitt, meanwhile, will be looking to bounce back from a 4-0 defeat to Sydney Olympic as they aim to compete at Lambert Park.

It will be a tough test for both sides, but APIA will be the perpetrators for this clash, with three points required as they aim to capitalise on any dropped points from the top-two sides this weekend.

COACHES CORNER

WOMEN'S

Sunday's 1-0 loss to the Wanderers was a tough pill to swallow. I felt we dominated possession and controlled the tempo for large portions, but our challenges in the final third persisted. Creating clear-cut opportunities was difficult, and when we did, our finishing lacked the clinical edge needed to capitalise. This has been a recurring theme this season, and it's an area we are actively working to improve - Which we will.

On a brighter note, our midfield trio delivered another commendable performance. Fans also witnessed a promising performance from Mel Caceres. We saw a lot more touches on the ball for Mel, and she looked likely with every drive - This week it'll be about putting a product on the end of it.

As we look ahead to a tough away trip to Sydney University, the message to the group is clear: we need players to step up and show their quality. It's moments in games—an individual spark, a bit of brilliance, or sheer determination—that can shift momentum and put us back on track. We're not far off, but we know we must be more ruthless in front of goal and turn performances into results.

We also want to take a moment to thank our members, Junior Players and supporters who turned up on Sunday. Your energy in the stands was felt, and it means a lot to the players. We're disappointed we couldn't reward that support with a result—no one feels that more than the group inside the changeroom. But the belief is strong, and we're determined to bounce back.

Finally, my last coach's corner piece references Chumbawamba... It's now time to "get up again"

See you on the sidelines.

Bradley Attard

MATCH PREVIEW

5:00pm, Sunday 13 April, Seymour Shaw

Sydney University will take on APIA Leichhardt at the newly re-laid Seymour Shaw on Sunday night.

Uni find themselves at the bottom of the competition ladder with just one point from their first four games.

It's a tough test against a wounded APIA Leichhardt, giving them the confidence that they could possibly upset the favourites here.

Two losses on the bounce for Brad Attard's competition favourites has them drop out of the Top Four.

A team with immense amounts of quality has not found the back of the net in their last two outings and will need to amend that to get something from this one.

Alarm bells are no doubt ringing at Lambert Park as this was not the planned start to the season but they without a doubt have the ability to turn things around.
