CLUB WELCOME

Welcome to all our supporters, to Lambert Park for this Men's Round 15 clash between our beloved APFA Leichhardt and local Rivals Sydney Olympic. This is a rivalry which dates back almost 70 years and with both clubs back on the National Stage in The Championship at seasons end, another exciting chapter in this historical rivalry will be written. However, before then, we have a massive Men's and Women's double header today.

Today we welcome Olympic Head Coach Labinot Haliti as well as the remaining club officials and supporters of Olympic. I'd also like to wish a warm welcome back to Lambert Park, Jack Armson who was instrumental in many of the best moments the club has experienced over the past 5 or 6 years. He might be in opposition colours today; however his impact won't ever be forgotten by the APFA faithful.

Olympic are much better than their 11th placed position on the table shows. They really are the Jekyll and Hyde team of the competition. Their last 4 games prove it. Huge win vs Spirit, lost to Manly, Huge loss to Rockdale, massive win vs United, we need to be at our best against a good Olympic team who has one of the best defensive teams in the competition.

Our Boys played well last week vs St George but just couldn't find the back of the net, disappointing because we had one of our best performances of the season mid-week terrorising Spirit 4-0 in Round 6 of the Australia Cup. We currently sit in 5th position 8 points ahead of Olympic, and a win today, will close the gap on those ahead of us and put us within reach of a top 2 position.

Our Under 20s are having a fantastic season, our best in almost a decade. It's Credit to coach Dean Zammit. The boys are sitting in 3rd place, 5 points from the top, and with genuine title aspirations. A win today against 12th place Olympic is vital as the chasing pack are only a few points away.

The second half of our Senior double header see our Women's team also take on Sydney Olympic. There was a massive sigh of relief after the vital 3 points earned vs Northern Tigers last Saturday. The win puts the team in 6th place, only 6 points from 2nd position. The season might've started underwhelming, however there were some incredibly and vital signs on Saturday that the team is ready to start firing. The introduction of new signings Rose and Brodigan, and the reintroduction of Fragale and Pipino from International Futsal duties will only strengthen the team. With the introduction of A league players into respective teams, including today's opponents, there is no room to drop anymore points.

Today is a huge game for the club and everyone involved. If there was ever a MUST win game, this is it. There is more than 3 points writing on this game, and everyone in the changeroom should know how vital it is for the future of our season and beyond.

The 23s fixture also promises to be filled with goals in a must win game for the club.

With so much happening at the club whether it be preparation for The Championship, our Women's Program, preparing Overseas Tours for Italy, Spain and England, our Futsal Program, our Summer Football competitions, or our Community Football program our club is incredibly thankful to our main

group of supporters and sponsors. Without them we couldn't be the club we are.

Our Men's Sponsors - HOLMAN BARNES GROUP who have been with us every step of the way for almost 3 decades. DESANE, WAHLBURGERS, NRIFA, ICM, Vanella Cheese and Emerson Lewis Lawyers. Thank you.

They are joined by long time and loyal supporters Premium Glass, Casaview, Westella Legal, United Cinemas, Clear Choice, West Point Formworks, Global Office Machines, IB Property, PARISI, Juventus Academy, Marocchi Law, Dom Panino and Frog On Line as the clubs sponsors and supporters for the upcoming season.

The Women's proudly welcome Turner Freeman Lawyers as the new long term Women's Major Sponsor. Their logo is proudly displayed on the front of our Women's kits. Our other Gold Partners - Carrera by Design, DESANE, Insured Co, The

Strength Agenda and Select Events. They are joined by Functional Fire, Strata United, Wise Employment, Automotive Superstore, Fernwood Fitness. Thank you for your support.

Finally, I'd also like to thank those who have become Season Members so far for the upcoming season. There is still an opportunity to sign up, for both the Men's and Women's season memberships. There is a great range of items that come with becoming a member, so please get behind the teams and the club and get all the inside knowledge before it becomes public as well as your APIA merchandise.

Thank you for attending today's game and as always FORZA APIA!

Regards,
Matteo Maiorana

COACHES CORNER

MEN'S

Good afternoon and welcome to Lambert Park for this delightful double-header!

It's a pleasure to have you with us on this Sunday for what promises to be an exciting day of football, with a double-header featuring both our Women's and Men's sides taking on Sydney Olympic. We extend a warm welcome to our friends from just down the road and hope they enjoy their visit to Lambert Park.

For our Men's First Grade, today marks Round 15 – the final fixture of the opening half of the season before the reverse fixtures commence next week. It's a real joy to be back at Lambert Park after three consecutive matches on the road, and the team is thrilled to be playing in front of our home supporters once again.

Our Women's side enters Round 11 today, looking to build on a strong performance and well-earned victory last weekend. We wish them all the very best as they continue their positive momentum.

A special mention must go to Dean Zammit and the Under 20s squad. Dean is shaping a group of young footballers who are developing both as individuals

and as a team. They've been playing some sexy football and are certainly in contention for the title as well as constantly displaying their talents and desire to progress their footballing career.

As for our Men's First Grade team, it has been a genuine privilege to watch our players deliver in both the Hahn Australia Cup fixtures and the NPL1 campaign with such professionalism and drive. As we close out the first half of the season, we're proud of the position we've put ourselves in – and ready to finish strongly.

A heartfelt thank you, as always, to our incredible staff, club members, families, friends, loyal supporters, and all who follow this league and this sport with true passion. Your dedication means the world to us – it fuels our commitment to play the brand of football we love – sexy football.

Let's make this season unforgettable. Sit back, enjoy the match, and get ready for an action-packed contest. We're confident that all four matches today will deliver the intensity, passion, and quality that make our game so special. Forza APIA!

Franco Parisi

MATCH PREVIEW

3:00pm, Sunday 18 May, Lambert Park

APIA Leichhardt will take on Sydney Olympic in the famous Festival of Football at Lambert Park on Sunday afternoon.

The home side are in strong form, unbeaten in four matches, but will be disappointed with their draw against St George City last weekend, which stopped them from capitalising on dropped points from three of the four teams above them.

Sydney Olympic, on the other hand, responded to mid-week Australia Cup disappointment with a sensational 4-0 win over Sydney United 58 - the very side they lost

to on Wednesday night, where a last-gasp equaliser led to a stunning penalty shootout that saw United 58 prevail 10-9.

A brace from Seth Clark was supplemented by goals from Cyrus Dehmie and Bailey Callaghan to gain satisfying retribution over their rivals, and they will be looking to take that form into this weekend in what looks set to be an exhilarating clash against their long-time rivals.

COACHES CORNER

WOMEN'S - BACK TO BUSINESS

After a brief detour off the road to glory—let's call it a "scenic route"—we're back to winning ways. Last week, we journeyed up to North Turramurra, a quaint little spot best known for leafy streets, polite dogs, and, apparently, some of the world's best donuts. The team came home with a dozen Pistachio Donuts... and, more importantly, three extremely well-earned points.

The 3-1 result over a red-hot Northern Tigers side wasn't just a win—it was a statement. And let's be honest, it felt like a warm hug after back-to-back losses.

Charlotte Lancaster, former Wellington Phoenix weapon, decided it was time to add "Olympico Specialist" to her résumé—straight from the corner flag and into the net, no detours. She also played a key role in another goal and it's great to see Lanky back at her best.

Speaking of former Phoenix players, **Jordan Jasnos** has made the left back spot her own—owning it like it's under lease. She was superb again last week, offering a key spark going forward. That performance came hot off the back of a Player of the Match showing in our last Cup clash... funnily enough, against today's opponents: Sydney Olympic. Coincidence? We think not.

There's more. Last week also featured the unveiling of our two newest signings: **Alyssa Rose** and **Ashlee Brodigan**—both from the Bulls Academy, both with A-League experience, and both making instant impacts. Alyssa wasted no time, dropping a Player of the Match performance against Northern Tigers and grabbing a goal to cap off a memorable debut. Welcome.

Now, onto today: the derby against Sydney Olympic. It's always a fiery one. Add in the double header, the big crowd, and a squad brimming with belief, and you've got the recipe for a cracking Sunday afternoon. These matches mean a lot to our players, and it's no secret—we want back-to-back wins. The Top 4 is calling, and we plan to answer. In the same token, we know it won't come easy, but we are prepared!

Lastly, a massive shoutout to our members. Whether you're screaming from the stands or nervously watching the stream, we feel your support.

*Regards,
Brad Attard*

MATCH PREVIEW

5:15pm, Sunday 18 May, Lambert Park

It's the Inner West derby at Lambert Park as APIA Leichhardt host Sydney Olympic on Sunday evening in the final match of the round at 5:15pm.

APIA finally snapped a three-match losing streak, defeating the Northern Tigers on a difficult away trip.

New signing Alyssa Rose has already shown she will be an excellent addition, along with Ash Brodigan in the front third.

Already with five losses this season, Brad Attard will be hoping that win against the Tigers can now kick start their campaign and their ascent up the ladder.

Four straight losses and still no wins for Sydney Olympic sees them sitting bottom of the league.

They were poor on Sunday against the Bulls and well beaten in the end.

They need to strengthen as soon as possible to try and give themselves a fighting chance of remaining in the competition with relegation looking a serious possibility now.
