# CLUB WELCOME

Welcome to all our supporters, to Lambert Park for this Men's Round 17 clash between our beloved APFA Leighardt and the Central Coast Mariners.

Today we welcome the Coaches, Players, Officials as well as the travelling supporters of the Mariners.

Many will remember that it was the lowly Mariners who were fighting for their NPL1 lives last season, who came to Lambert Park mid-week and ended any hope we had of fighting for the Premiership when they defeated us 3-2 in a game we were expected to win, in turn ensured their survival in the top flight. Today there is an eerie similarity. The Mariners have struggled so far this season and currently sit on the bottom of the table, however there are just no easy games in this league and we won't be taking the Mariners lightly! 3 points today are imperative as we keep working towards closing the gap to the three teams ahead of us on the table.

The Mariners, whilst they have struggled so far are a team renown for their nonstop 90 minute effort and have some really impressive youngsters amongst their team, this week coaches Parisi and D'Apuzzo have been preaching focus and the importance of securing another valuable 3 points tonight at Lambert Park.

After two great 2-0 victories over Sydney Olympic and then Wollongong last week, the team is starting to find their groove defensively,

Josh Symons, Dreydon Kelly, Michael Kouta and Anthony Sparacino have all been rotated in Central Defence in recent weeks and have all played their part in ensuring the opposition have been held scoreless in the previous 3 games.

It was also fantastic to see the return of Cameron Fong after a long injury lay off.

The dashing right back signed from Sydney FC is expected to be a key component as the club navigates a congested fixture list, unfortunately, though Nicholas Azzzone suffered a fractured collarbone last weekend which will likely rule him out for the remainder of the season.

Our Under 20s are having a fantastic season, our best in almost a decade. It's Credit to coach Dean Zammit.

Following their 1-1 last week, The boys are sitting in 4th place, on 2 points from the top, and with genuine title aspirations. A win today against 10th placed Mariners is vital.

The second half of our Senior double header see our Women's team take on Bulls FC Academy.

Two wins and a draw in our past 3 league games has somewhat steadied the ship, however expectations remain incredibly high with trophies on the agenda.

The team currently sits in 8th position but only 3 points from 4th position and 6 points from 2nd place such is the congestion in the table.

The club also has some exciting news with APFA alumni Claudia Cicco, Sophie Hoban, Sally James and recently capped Matilda Natasha Prior all signed until the remainder of the season. Its likely 2 of them will be back in Maroon and Blue for this weekend's game.

The 23s team looked fantastic last week and secured a great 3-0 win which puts them just on the edge of the top 4, a win today should see the girls move into the all important semifinal positions.

With so much happening at the club whether it be preparation for The Championship, our Women's Program, preparing Overseas Tours for Italy, Spain and England, our Futsal Program, our Summer Football competitions, or our Community Football program our club is incredibly thankful to our main group of supporters and sponsors. Without them we couldn't be the club we are.

Our Men's Sponsors - HOLMAN BARNES GROUP who have been with us every step of the way for almost 3 decades. DESANE, WAHLBURGERS, NRIFA, ICM, Vanella Cheese and Emerson Lewis Lawyers. Thank you.

They are joined by long time and loyal supporters Premium Glass, Casaview, Westella Legal, United Cinemas, Clear Choice, West Point Formworks, Global Office Machines, IB Property, PARISI, Juventus Academy, Marocchi Law, Dom Panino and Frog On Line as the clubs sponsors and supporters for the upcoming season.

The Women's proudly welcome Turner Freeman Lawyers as the new long term Women's Major

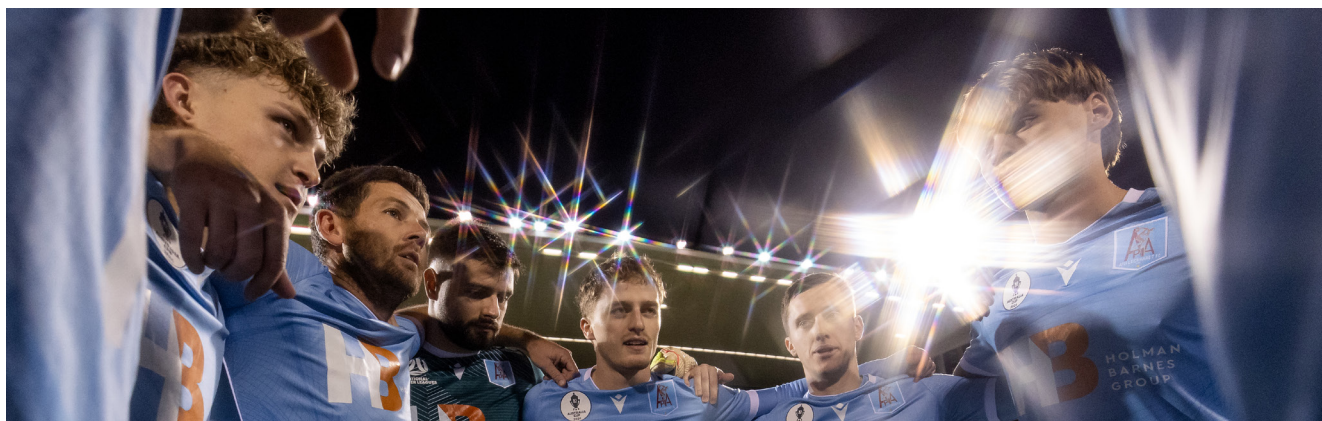

Sponsor. Their logo is proudly displayed on the front of our Women's kits. Our other Gold Partners - Carrera by Design, DESANE, Insured Co, The Strength Agenda and Select Events. They are joined by Functional Fire, Strata United, Wise Employment, Automotive Superstore, Fernwood Fitness. Thank you for your support.

I'd also like to thank those who have become Season Members so far for the upcoming season. There is still an opportunity to sign up, for both the Men's and Women's season memberships. There is a great range of items that come with becoming a member, so please get behind the teams and the club and get all the inside knowledge before it becomes public as well as your APIA merchandise.

Finally, and most importantly, we ask for the support of **EVERY SINGLE** APIA Parent, Player and supporter to help the club in our fight against the Lords Road Development. We ask for everyone to attend the clubs rally on Monday the 9th of June at 10.00am.

Thank you for attending today's game and as always FORZA APIA!

## MEN'S

Good evening and welcome to Lambert Park for the 2nd time in 4 days!

It's a pleasure to have you with us this Saturday for what promises to be another exciting chapter in our NPL1 NSW campaign, as our Men's First Grade side takes on Central Coast Mariners. We extend a warm welcome to the Mariners and their supporters and acknowledge the outstanding work the club continues to do in developing some of the best young talent in the country – including our very own Jordan Segreto, Maksim Kasalovic and Alex Parkes, amongst many others who have come through their system.

For our Men's First Grade, today marks Round 17 – and with the business end of the season fast approaching, every match takes on added importance. It's always a joy to be back at Lambert Park, and the team is eager to put on a strong performance in front of our passionate home crowd.

A special mention to Dean Zammit and our Under 20s squad, who continue to go from strength to strength. Dean's leadership and attention to detail are shaping a squad of emerging players who are growing in confidence, maturity, and style. The

football they're playing has been exciting, intelligent, and consistently effective – a real credit to their hard work and the coaching staff's guidance.

We'd also like to extend a big thank you to everyone who came out on Wednesday night to support us in our Hahn Australia Cup fixture against Marconi. Your presence, energy, and unwavering backing mean so much to the players and staff.

Lastly, we'd like to recognise the incredible community that stands behind this club – from our tireless volunteers and dedicated staff to the families, friends, and faithful supporters who bring energy and spirit to everything we do. Your continued belief in the team drives us forward and keeps the heart of APIA beating strong.

Enjoy the match, soak up the atmosphere, and let's get behind the team as we continue to deliver sexy football. Forza APIA!

*Franco Parisi*

## MATCH PREVIEW

6:00pm, Saturday 31 May, Lambert Park

With both sides coming fresh off Wednesday night fixtures, APIA Leichhardt will host the Central Coast Mariners on Saturday evening.

APIA will be taking on Italian rivals Marconi Stallions in an Australia Cup qualifier match on Wednesday night – a fixture that will also see the winner advance into the Waratah Cup semi-final.

It will be intriguing to see whether either side opts for a different squad to their respective Wednesday fixtures, but nevertheless, this match promises plenty of energy and excitement, with both sides looking to push on for their respective goals as we move beyond the halfway point of the campaign.

## WOMEN'S

There's a lot to like about the direction we're heading. Over the past couple of weeks, I've been really proud of our performances. Last week's 0-0 result may not have lit up the scoreboard, but our football did plenty of talking. The intensity, discipline, and belief were all there — we were brave with the ball, aggressive without it, and looked like a team with real purpose.

This week, we welcome back some of our A-League Women's players, and that's something to get excited about. Their return adds experience, quality, and sharpness to the group — and we expect it to raise the level across the board. That said, we're not the only ones — Bulls FC Academy are also expected to bring back a handful of their own A-League players, which sets this up as a top-tier contest.

It's a particularly special occasion for three of our own — Ashlee Brodigan, Alyssa Rose, and Jess Seaman — who face their former club. Big games bring big emotions, and I've no doubt they'll channel that energy in the right way.

The ladder is tight, and in a league like this, every three points matters. These are the games that shape a season — and we'll be ready.

Thank you again to all our supporters and members!

*Brad Attard*

## MATCH PREVIEW

2:40pm, Sunday 1 June, Northbridge Oval

The opening game on Sunday throws up another spectacle as Bulls FC Academy host APIA Leichhardt from 2:40pm.

Five straight wins and the Bulls continue their march up the ladder, just outside finals football and even potentially challenging for top spot.

They showed some character coming back from two-down at the break on the weekend to win 3-2, Amber Luchtmeijer with the winner in stoppage time.

It seems as though Brad Attard has steadied the ship at APIA and the competition favourites are heading in the right direction.

They were held to a scoreless draw against the Illawarra Stingrays on Sunday but would have felt they could have pinched all three points with some late chances.

A win here for either team could see them enter the Top Four.
