CLUB WELCOME

Welcome to all our wonderful supporters to Lambert Park for this men's round 26 clash between our beloved APIA Leichhardt and Manly United.

We welcome Manly United coaching staff, officials, players and of course their travelling supporters.

We come into this game on the back of the amazing midweek victory over the Melbourne City FC putting us into the final Round of 16 of the Hahn Australia Cup.

The atmosphere and the unbridled joy from everyone in attendance and post game was equal to the performance on the field by the players.

A victory like that, is more, than just the those who took part in the game, without the support from our incredible staff and volunteers an event such as last night would simply not be possible.

It's the things that people don't see is what makes a victory like last night so enjoyable.

It's the sponsorship banners and marquees being set up in the pouring rain, the ball kids being drenched, the people on the mic, the staff in the ticket booth, the portable printer being purchased last minute, the list can go on and on.

It truly was a victory for the club.

I want to make special mention to Rachelle Hofbauer for her relentless work ethic, the unsung heroes such as Sergio Bucciarelli, Joe Garufi, Jude, Damo, Andrew. These particular people were at the forefront of everything good that happened last night and on behalf of the entire club we Thank you!

We are a special club and last night proved it yet again.

Whilst last night was exciting, I know the mindset in the changeroom already switched to today's game. We come into this game in some really good form as we continue to work towards chasing down Spirit FC and the Premiership.

However Manly United are a team that can never be underestimated, they're a team on their day who are good enough to beat any team in the competition.

Our Under 20s are absolutely on fire at the moment, having won five games in a row and what a fixture today promises to be with a Top of the Table clash.

Our First Grade Women's team now find themselves in a fantastic position currently sitting in third place only three points off the top of the table.

Brad Attard and his team have really turned the corner and are in some fantastic form. Having won 6 in a row including the Sapphire Cup victory.

A win today versus Spirit team currently in six place yet only one point outside the five is imperative to ensure the girls continue to fight towards our 1st ever Womens 1st Grade Premiership. Our Under 23 Women's had a fantastic performance on the weekend, scoring a 90th minute winner. The girls sit in fourth position and with a victory against Spirit this weekend it will be incredibly important as we look to cement our position in the top four.

It is incredibly encouraging to see all four of our senior teams occupying places in the top four. Hile Our Youth teams are also dominating with 6 of the 8 teams also into the top 2, and the other two, only 3 points outside the 4.

There is a real possibility that all 13 of our NPL teams

could all be in the Semi Finals in the same year.

It would be truly historic.

A real Credit to our Heads of Football, our coaches and players which bodes incredibly well for the present and the future.

With so much happening at the club whether it be preparation for The Championship, preparing Overseas Tours for Italy, Spain and England, our Futsal Program, our 365 Summer Football competitions, or our Community Football program our club is incredibly thankful to our main group of supporters and sponsors. Without them we couldn't be the club we are.

Our Men's Sponsors - Wests Ashfield who have been with us every step of the way for almost 3 decades.

DESANE, NRIFA, ICM, Vanella Cheese and Emerson Lewis Lawyers.

They are joined by long time and loyal supporters Premium Glass, Casaview, Westella Legal, United Cinemas, Clear Choice, West Point Formworks, Global Office Machines, IB Property, PARISI, Juventus Academy, Marocchi Law, Dom Panino and Frog On Line as the clubs sponsors and supporters for the upcoming season.

COACHES CORNER

MEN'S

Good evening everyone, and a very warm welcome to Lambert Park on Saturday evening.

We extend a warm welcome to our friends from north of the bridge, Manly United FC. It's always a genuine pleasure to host such a respected club, and with just five rounds of competition remaining, you can feel the buzz in the air. Excitement is building, and no doubt everyone's minds are ticking over with the possible permutations of who's playing who, what's at stake, and what it all means in the run-in. But for us, as always, our attention is firmly on today and the challenge Manly presents.

That same message of focus and commitment rings true across all competitions, from the Women's seniors to the Men's under-20s. Our Women's side will be playing in a mouth-watering fixture this afternoon at Christie Park. With a resurgence of fine form, it's been an important few weeks for our Women's team, crowned as Sapphire Cup champions, and have been climbing the ladder with purpose and playing some seriously sexy football. In what's shaping up to be a thrilling end to the season, several top-table teams are facing off this weekend, and the race for the minor premiership, and the advantages that come with it heading into the semi-finals, is heating up in thrilling fashion.

Following our match, we have another blockbuster on our hands as our Men's under-20s take on Manly in a top-of-the-table encounter: first versus second. Manly's 20s are a quality side, well-drilled, full of spirit, and have enjoyed sustained success over the years while playing an attractive brand of football.

In response, our under-20s, under fantastic guidance of Dean Zammit, have been showcasing some truly sexy football themselves.

So please, whatever plans you may have, change them! Stick around after our match and catch what promises to be a cracking match.

A heartfelt thank you to everyone who came out on Wednesday night to support us at Leichhardt Oval in the Hahn Australia Cup clash against Melbourne City. It's genuinely hard to put into words just how special those matches are. We're proud to be competing at the highest level, against the very best, because as we all know, Melbourne City are exactly that: the best in the country.

As always, we want to recognise the incredible community that surrounds this club, from our dedicated staff and selfless volunteers to the families and supporters who bring their heart and soul to every matchday. Your belief in what we do is what keeps APIA moving forward.

Enjoy the match, soak in the atmosphere, and let's get behind the team as we chase another big result. Sexy football awaits.

Forza APIA!

MATCH PREVIEW

6:00pm, Saturday 2 August, Lambert Park

In Another Premiership contender will host the second Saturday match of the round, as APIA Leichhardt take on Manly United at Lambert Park.

A 2-0 win over Mt Druitt last weekend made it seven games unbeaten for the Italian side, and moved them up to second place on the ladder.

Three points off the top of the table, if Spirit lose to Olympic and APIA beat Manly, they will move up to first on the ladder.

Nevertheless, it's an important match for APIA, particularly considering their Australia Cup commitments mid-week against Melbourne City, as they look to pile pressure on Spirit in search for their second Premiership in three seasons.

COACHES CORNER

WOMEN'S

What a month it's been. Five league wins on the bounce, a Sapphire Cup triumph against Mount Druitt, and a squad that continues to show grit, and commitment every time they step out. From training to match day, the players have embraced the challenge and pushed the standard, individually and collectively. These moments don't happen by chance; they're a byproduct of hard work, accountability, and a shared belief that we're capable of something special. It's been one of those months where everything starts to click, and we're enjoying the ride.

That said, last week reminded us that momentum alone doesn't win games. Manly made it a battle, and to be fair, we didn't quite reach the levels we expect of ourselves. But football isn't always about playing your best, it's about finding a way when the rhythms not there. And credit to the girls, they did just that. To grind out a 2-1 win against one of the competition's in-form sides speaks volumes about the resilience of this group. There's a maturity forming in how we manage moments under pressure, and that will be crucial in the run-in.

Six weeks ago, we were sitting in 8th place. Today, we're 3rd, equal on points with second, and just three points off top spot. It's been a genuine sliding doors moment for the season. A few different results and we could still be in the chasing pack. But to now be amongst the frontrunners with five games to go is a testament to how this group responded when it mattered. That said, we're under no illusions. There's still a mountain to climb. Every point, and every detail will matter from here on in. And we're hungry.

While we've enjoyed our recent success, I'd also like to give a huge shoutout to Franco and the Men's squad. They've had an outstanding month themselves, currently sitting second on the ladder and pushing hard. You can feel the buzz around the club, with big wins, some exciting new signings, and of course the recent Australia Cup draw against A-League side Melbourne City. These moments are what a club like APIA lives for, with teams across the board making a statement and giving our supporters plenty to get around.

This weekend, we face off against a quality Spirit side, one of the competition's heavyweights. They've got

big-name signings, exciting young talent, and a clear identity in how they want to play. It's the kind of challenge we relish. Matches like these often come down to fine margins, moments of brilliance, defensive grit, and who wants it more in the big moments. We've prepared well, we respect their threat, but we also know the belief within our own dressing room. We're ready for what promises to be a cracking contest. Let's finish strong.

See you at the ground.
